Aperia TECHNOLOGIES

World Leader in Automatic Tire Inflation for Tractors and Trailers

halo TIRE INFLATOR

Product Details

- Serves tractors & trailers
- Fits dual & wide-base tires
- Installs in minutes
- No axle drilling required
- Automatic & self-powered
- Allows for easy check of tire pressure(s)
- Effective pressure equalization in duals
- Factory set to customer specified target tire pressure
- Easily transferable at vehicle trade-in
- Virtually maintenance free
- 500,000+ mile service life

Increase fuel economy and safety, extend tire life, and maximize uptime - all automatically. Halo is your full tire inflation solution.

Maintaining optimal tire pressure is necessary given today's high tire, fuel and labor costs, but is near impossible to achieve manually. The Halo Tire Inflator solves the problem of tire pressure management and has a proven ROI. The Halo is also the first simple automatic tire inflation technology for both tractors and trailers. A 2-tool and 10-minute install make for an easy retrofit to your existing vehicles and an obvious add-on to your new equipment.

Please let us know if we can help you revolutionize your tire program and deliver the benefits of optimal tire pressure management with Halo.
